### PROFESSIONAL EXPERIENCE

# **Learning Project Coordinator**

June 2021 – Present

Fiveable Inc.

- Led research on CMS platforms for a company-wide content migration, collaborating directly with executive leadership and content teams
- Oversaw the organization and design of over 1000 new content pieces and content structures for 8 new subjects
- Performed SEO keyword research and organized processes for the eventual creation of over 1000 pieces of new content

# **Web Development Intern**

June 2020 – Sept 2020

Fiveable Inc.

- Built reusable front-end React components such as tab menus and upcoming event cards for a
  Fiveable redesign. Also built the Fiveable search results page, slides page, content pages, and
  others for both desktop and mobile
- Assisted in site-wide migration to Next.js and took part in company wide and team wide meetings to build Fiveable features
- Worked in an agile environment with daily standups and weekly sprint planning

# Production Manager, Homeroom at Fiveable Podcast

March 2020 - March 2021

Fiveable Inc.

- Organized and oversaw the scheduling, recording, and publishing of all Homeroom episodes.
- Sent cold emails to prospective guest hosts for episodes of the podcast
